EDUCATION

Bachelor of Science in Computer Science and Engineering

United International University - Madani Avenue, Dhaka

CGPA: **2.81** OUT OF **4.00**

Graduation Completed at June 2024

Profile

I am an optimistic, friendly, and dedicated individual with a passion for programming and web development. My robust undergraduate background in Computer Science and Engineering (CSE) has provided me with a strong foundation in the technical skills essential for success in these domains. With a proactive attitude and a knack for quick learning, I eagerly embrace new challenges. I am confident in my ability to bring significant contributions to any team I join. Continuously seeking opportunities for growth and learning, I am poised to make a positive impact on any organization I become a part of.
